Enthusiasm Shown  
For Maui Athletics

Outlook For New Year Is Bright In This Branch Of Fair Association Activity — Hope For Swimming Pool At Kahului Park.

The athletic committee of the Maui County Fair & Racing Association met last Tuesday evening for the purpose of organizing and disposing of various matters in hand.

George Cummings was re-elected as vice-chairman of the committee and C. A. Puck, elected secretary and treasurer.

Details in connection with the proposed trip to Honolulu were gone into fully. Manager Paddock, of the Maui Golf & Country Club, has been selected and that our boys will go to Honolulu prepared to bring home the bacon. They will play the Waikiki, Braves and Chicago teams in Honolulu on February 21, 22, and 23, and the boys feel enthusiastic that they will show the Honolulu players a thing or two in base ball tactics.

## Plans For Field Day

The last question of the evening was the coming track team. This will be featured at the association grounds on Saturday, March 27, and Mr. Puck, who is in direct charge of this particular line of activity on behalf of the Association, mentioned that quite a little enthusiasm is already being shown, and that the program outlined will furnish a nice afternoon's sport.

Aside from the regular events, of the track meet, plans are being laid for clocks and other forms of entertainment, as it is expected that a very large number of children will be present for the events. The different schools will participate and a number of associations have signified their intention of having entries.

Judges will be selected from among officers and members of the Maui County Fair & Racing Association, prizes will be given to individuals in the way of medals or cups, and teams will be given recognition on points earned.

From the discussions and enthusiasm so far displayed, this track meet bids fair to be a huge success, and the committee looks forward to seeing all of Maui lend encouragement. The list of officials who will serve for the day will be announced later, and Mr. Puck will be assisted by all of the members of the committee.

## Want Swimming Pool

The committee also discussed the possibility of a swimming pool at the Fair Grounds, and no doubt when the time is opportune, this subject will be taken up with the trustees of the Association. A swimming pool to be held at regular intervals at the grounds is being looked forward to and will be another branch of activity of the Association which will go towards making the organization the biggest thing in the territory, with every form of sport and community activity centered in its home grounds at Kahului. Maui can begin to figure on inter-island swimming meets, which will be another boon for community spirit.

Lahaina Loses Close  
Game To Central Maui

Taking up the Winter League schedule where it was dropped several weeks ago on account of rain and later on account of the death of Josie Wilson, the Waves defeated the Lahainas in the 9th inning by a score of 5 to 4. The game was a hot one, the visitors taking the lead in the 5th inning and holding it till the last frame when the locals managed to score two runs.

The second game, between the Palapa-Punahoa combination and the Waikuku Stars was a walkover for the up-country boys, the score being 12 to 4. This game was interesting but rather ragged in spots.

Gyms Beat Highs  
For Championship

Great Final Game Witnessed By Big Crowd—School Boys Play In Hard Luck, But Put Up Game Fight.

(By High School Correspondent.)

The final game of the Junior basketball series went to the Gym Team, with a score of 14 to 5.

The crowd attending was on its feet the whole time, cheering, watching, and waiting for every moment of play was a moment of tense strain and excitement.

Both teams trotted onto the floor in the best condition and were received by enormous outbursts of affection from the rosters and fans. W. F. Crocker refereed the open quarters of the game with marked success. From the first touch-off the Gym quieted showed fight; and time and again, by superior play, worked the ball down the floor to their basket only to lose it. During the first quarter they succeeded in putting in one basket. The first quarter ended with the score of 2 to 0 in favor of the Gyms.

During the second quarter, however, an accident occurred which took the very props from under the High School team. The ball was in play near the High School basket when A. Baldwin, High School forward, mist with an accident which disabled him and forced him to leave the floor. The Gyms now began to gain materially. The High School strove to stop them as during the middle two quarters they pushed the score from 2 to 0, to 11 to 3.

In the last quarter of play the High School rallied partially and by last guard play not only held the Gyms but placed one final basket to their credit.

## High Girls Beat Seminary

Last Friday afternoon, three cars laden with happy students and teachers of the Maui High School drove up to the Maunaloa Seminary to play basketball. After donning their basketball gear the High School girls came forward to meet their opponents. The game began at three o'clock. A large number of the Seminary girls had gathered to cheer their team.

The first three quarters showed that the High School were the stronger team. The Seminary then changed a forward in their team. From now on the game moved swiftly and when the whistle blew, the score stood 16 to 4 in favor of the Maui High School.

## PERSONAL MENTION

Rev. E. E. Pleasant, of Waikuku, was a visitor to Honolulu this week, going down Monday night by the Mauna Kea. He expected to return tomorrow. Mrs. Harry Bohr, of Waikuku, who was operated upon recently for appendicitis in the Malakani hospital, has practically recovered. She went to Honolulu on Monday night for a short visit.

F. H. Looney, local manager of the Royal Hawaiian Sales Co., is a business visitor in Honolulu this week.

F. B. Cameron, director of the racing division of the Maui County Fair & Racing Association, is in Honolulu this week on business for a few days.

Mrs. George K. Trimble, of the Waikuku Hotel, is able to be about again after being confined to her bed for over a week with an attack of grip.

Mr. and Mrs. J. E. Turner left by the Mauna Kea Monday night for Honolulu. They intend to spend a week there with Mr. Turner's relatives.

T. Kaneko, formerly editor of the Japanese paper the Maui Shimbun, called from Honolulu last Friday on the Tenyo Maru for Japan.

W. O. Aiken returned on Saturday morning from Honolulu where he attended an important meeting of the Hawaii Publicity Bureau, of which he is a member.

Mrs. Robert von Tempky, of Makawao returned home last Saturday from Honolulu where she had been making a short visit.

C. C. Campbell, assistant manager of the Hawaiian Commercial & Sugar Co., was in Honolulu last week on business.

Hugh Howell, the well known Maui contractor, was in Honolulu last week on a short business trip.

Charles B. Gage, representative of the Motor Car Co., well known to plantation men, was a visitor on Maui several days this week, the first time in nearly a year. Mr. Gage but recently returned from a long trip through the Orient, including the Philippines, China, Siam, the Strait Settlements, Sumatra, Java and West Australia. Over three months of his time while away was spent upon the ocean.

L. L. Haydn Villiers, who has been in Waikuku for the past several weeks visiting his parents, Rev. and Mrs. J. Charles Villiers, left Maui on Monday night for Honolulu from whence he expected to sail shortly for Vancouver where he will probably go into business. He was accompanied to Honolulu by his father who will return home tomorrow.

Miss Klant Wilcox, daughter of County Auditor Charles Wilcox, returned to Honolulu last Saturday after visiting her parents for several weeks.

Dr. Charles Hansen, who is quite well known on Maui, arrived from Honolulu last week and will assume charge as government physician for the Haiku district.

H. B. Penhallow, manager of the Waikuku Sugar Co., has been confined to his home since last Saturday with a well defined case of chicken-pox. He has been quite seriously ill, but is reported to be improving. As there is no other case of this disease known on Maui at present the origin of his case is a mystery.

George B. Dewing, radio operator in charge on Maui, returned from Honolulu on Tuesday where he was called last week by the illness of an old family friend and companion of his mother, Miss Margaret Cairns, who had just arrived from Oakland. He found his mother was also suffering from the influenza which they had contracted on the trip from the coast. Both sufferers were much better when he left, and will possibly visit Maui later.

Modern Agriculture  
Has Much To Offer

F. G. Krauss Tells Maui High School Assembly That The Farmer Of Today Has The Best Of It Over City Dwellers.

(By Maui News Correspondent.)

F. G. Krauss gave the talk before the Assembly of the Maui High School on Thursday of last week.

Mr. Krauss divided his talk into three parts; namely, the compensation in farming, the training needed and the field of service. On the compensation, he said that the time of the poor, down-trodden farmer is over and that a good living could now be made in agriculture although the salary of a farmer does not equal the salary of other professional men in terms of dollars. The farmer, however, has his own home, his own land and raises his own food; whereas the city man has none of these. It is also well known that the farmer dollar is worth several times the city dollar. Nowadays a farmer who owns one hundred acres of land is able to become prosperous and give his children as good an education as a man in any other business.

The training for this work was at one time a problem, the speaker stated, but now there are institutions all over the United States which provide such a training. Of course the boy raised on the farm has an advantage over the city boy as he grows up in the atmosphere of the farm, but both farm boy and city need the scientific training which is provided in these institutions. The boy or girl after he or she has received this training should then go on a farm to put their theory into practice. If a boy is not able to spend the four years required in a university or college, there are intermediate schools for this training where a one, two, three or four years course may be completed.

There is a great field of service for such trained men and the demand grows greater each day.

Mr. Krauss concluded his talk with these words of Garfield:

"At the head of all the sciences and arts, at the head of civilization and progress, stands—not militarism, the science that kills, not commerce, the art that accumulates wealth—but Agriculture, the mother of all industry, and the maintainer of human life."

## HANA SCHOOL

On Wednesday, January 28, the crocheting and weaving girls went out and got some lahala. We had a long walk going to the place where the trees grew. Quite a large pile was gathered. Wednesday we expect to go again with Miss Kapoi, teacher of the weaving and crocheting class—Annie Gomes.

The weaving girls are making some lahala baskets. Some have already finished their baskets. On Wednesday of last week all of the girls of Miss Kapoi's class gathered lahala to make or finish their baskets.—Minale Opiolo.

## Died From Injuries

An accident occurred on Saturday, January 31, near the Kaoleku Sugar Co.'s stable. The unfortunate man, a Korean, named Yee Chong Chiu, was badly hurt, having a fractured leg.

It is said that the man, seeing that the car on which he was riding was going at a terrific speed tried to get hold of the brake, but failed.

At the same time some of the rails on the car that he was on slipped, and he fell down, the rails falling on him, thus breaking his leg. He was immediately taken to the hospital. A lot was done to save his life but he died soon after from loss of blood.

The dead man is survived by his widow and three children.—Josephine Jacobs.

Mr. Hala is now making many changes in the school yard towards improving the grounds.

The former principal, Mr. Thomson, plowed up a portion of the yard near the teacher's cottage. This was during war time.

This part of the yard is now being converted into a lawn thus lengthening the playground.

Some of the trees which are of no particular use or beauty are to be removed and royal palms put in their places.

A new fence is to be asked for along which a hibiscus hedge is to be planted.—Eleanor McKenzie.

Louis Distell, manager of the Grand Hotel, returned this week from a short business trip to Honolulu.

## SOCIETY

A Pleasant Picnic

A jolly little party of young people who have been getting much enjoyment out of little excursions to points of interest on Maui during the past few weeks, were the guests over Saturday night last at the hospitable von Tempky place, Makawao, and on Sunday drove to Kahili and picniced on Waikuku ranch, several miles out on the Ditch Trail. The weather was ideal and the outing in every way a most delightful one.

In the party were—Mrs. Dora von Tempky, Mr. and Mrs. Robert von Tempky, Mr. and Mrs. Jack Moir, Miss Lucy Lee Robinson, Miss Marian Newby, Miss Frances Gardner, Frank A. Larkin, and W. G. G. Moir.

## Mrs. Engle's Bridge

Mrs. David Wadsworth was the honored guest at a three-table bridge party given by Mrs. Wm. Engle last Saturday. Delicious refreshments brought a very enjoyable afternoon to a close.

The players were—Mrs. David Wadsworth, Mrs. Jas. Thomson, Mrs. W. O. Aiken, Mrs. C. Savage, Mrs. E. Murphy, Mrs. T. B. Linton, Mrs. J. A. Gibb, Mrs. Caleb Burns, Mrs. D. T. Carey, Mrs. Will. J. Cooper, Mrs. R. C. Fitcham, Mrs. E. R. Bevins.

Miss Alice Case of Waikuku, who has been attending school in Oakland, California, since last August, was a member of the class just graduated from the Fremont High School, and was the class prophet. Miss Case is continuing her studies, having entered Mills College, at Oakland.

Miss Cleo Case has been appointed for the last half of the school year as instructor in physical culture at the Oakland High School, to which she now gives her full time.

## A Dinner At The Aikens

Mr. and Mrs. George Aiken entertained very pleasantly at dinner last Tuesday evening at their pretty home on High street. Their guests were—Mr. and Mrs. C. D. Larkin, Mr. and Mrs. W. A. Baldwin and Mrs. J. A. McLeod.

## Lahaina Concert A Success

The patrons of the Kamehameha Alumnae Association concert given at Lahaina last Saturday evening for the benefit of a fund being raised for a memorial to the late Ida M. Pope, principal of the Kamehameha School for girls, were as follows: Mr. and Mrs. A. W. Collins, Mr. and Mrs. George L. Keeney, Mr. and Mrs. A. C. MacDonald, Mr. and Mrs. J. E. Gannon, Mr. and Mrs. Geo. H. Dunn, Mr. and Mrs. B. O. Wist, Mr. and Mrs. W. L. Doroteo, Mr. and Mrs. Frank Cockcroft, Mr. and Mrs. Phillips, Mr. and Mrs. E. L. Gillen, Mr. and Mrs. H. S.

## Pertinent Paragraphs

Owing to the prevalence of influenza in the community, the Woman's Guild of the Church of the Good Shepherd has decided to postpone indefinitely its delicatessen sale and garden party, which was to have been given on February 14.

The meeting of the Ladies Aid Association of the Waikuku Union church which was to have been held next Tuesday, February 10, has been postponed for one week—to February 17.

Plans are being made for shortly renovating and refurnishing the Pala branch of the Bank of Maui, Ltd., which will add much to the appearance of the place. Both the exterior and interior are to be completely refurnished under the direction of Dickey & Wood, architects, of Honolulu.

Word was received here last week of the death of Eileen, the little year old daughter of Mr. and Mrs. Frank Burns, formerly of Maui, but for the past several months of Kaula, where Mr. Burns is assistant manager of the Kaula plantation. The many friends of the bereaved parents will sympathize deeply with them in their sorrow. The monthly meeting of the board of supervisors for February will be held next week beginning on Wednesday.

The Matson River Maunaloa, which was expected to arrive in Honolulu tomorrow, will not make port until next Tuesday, her schedule having been set back in order to get her to running regularly with the other ships of the fleet. She is due to arrive at Kahului about next Friday or Saturday.

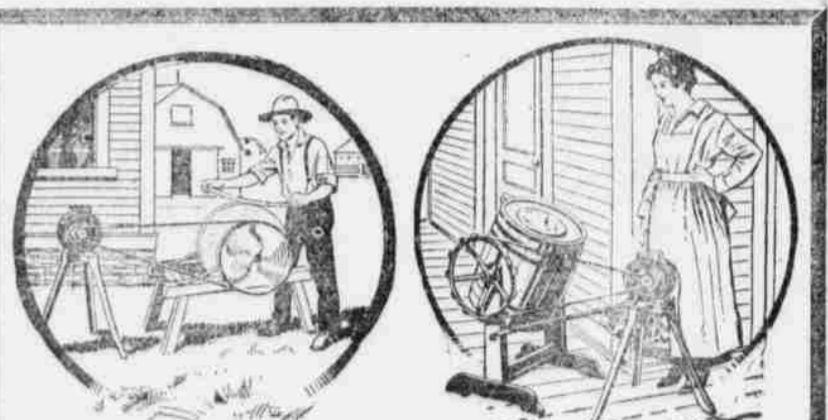

The senior class of the Maui High School will give a St. Valentine's Dance on Saturday, February 14, at the Makawao community house. An enjoyable time is anticipated. Admission 50 cents.—Adv.

Steps were begun this week in the 2nd circuit court to condemn the property known as the Smith estate, which is needed for enlargement of the Malakani Hospital. The defendants named in the petition are—Kamila, Mary, James and Louise Smith, Agnes and Charles Palihapa, Edward, Emma, Alexander, Mary Rose, James Alexander, Eva K. William, Harriet K., and Leonard I. Smith, Hawaiian Commercial & Sugar Co., and the Waikuku Sugar Co.

Walker, Mr. and Mrs. John Robinson, Misses Elizabeth Spencer, Janet Todd, Clare Stevenson, and Laurena Merri-man.

Those who contributed to the unusually delightful program were—K. J. Zedwitz, Frank Almeida, F. N. Lufkin, C. D. Lufkin, P. H. Townsley, H. Bruns, Mr. and Mrs. Mookini, Miss Elizabeth Spencer, Mrs. MacDonald and Mrs. Rosina Shaw Freudenberg.
